

BAUWERK GROUP

bauwerk-group.com

Innovative, modern, sustainable and value-driven – these are some of the attributes that characterize us as a leading supplier of premium parquet. Would you also like to be part of an international team that researches, develops, produces, sells, and brings rooms to life with the renewable raw material wood?

At our headquarters in **St. Margrethen**, we are looking for a

Manager Sustainability, Controlled Wood and local EHS (m/f/d)

Your responsibilities

- Creation and further development of the annual Group sustainability report according to CSR standards
- Group Responsibility for FSC®, PEFC and similar wood certificates
- Ensuring environmental, health, and safety standards (esp. ISO 14001, Swiss legislation)
- Local EHS management and function as safety officer for Switzerland
- Development and execution of trainings on sustainability, controlled wood, and EHS
- Enabling internal stakeholders to competently communicate about sustainability topics
- Organization and execution of internal audits, coordination and support of external audits
- Ensuring environmental impact assessments for products
- Implementation and monitoring of environmental and social responsibility initiatives to minimize our ecological footprint and promote ethical practices

Your profile

- Technical degree in quality management, environmental engineering, chemistry, or wood technology (FHS, CAS, or comparable education and experience)
- Further education in quality management/certification desirable
- Several years of experience in an industrial environment
- In-depth knowledge of Swiss EHS legislation
- Self-initiative, self-motivated, and open to a multicultural environment
- Structured, results-oriented work approach
- Experience in project management
- Excellent German and English skills, both written and spoken
- Willingness to travel 5–10%

We offer a responsible position in a future-oriented company, with the opportunity to actively contribute to our sustainable development. An international, dynamic environment with three leading brands that set new standards in the industry. A motivated team, home office options, the culture of our Bauwerk Group, and much more awaits you.
